

Group Reservations

We are open to the public for walk-in tours and tastings every day during our regular business hours, which are always available on our website as well as Google, Yelp, etc. We request that parties of 8 or more get in touch with us before arriving. Groups of 8 or more who arrive without a reservation may be turned away. We offer the following three options for groups of 8 or more.

Option 1 — Reserved Walk-In: Confirmed group walk-in reservations will be helped on a first come first serve basis and may need to wait for other guests to finish their tours or tastings before being helped. Once we can help you, you will be given a full tour as a group. We may ask you to split into smaller groups to do your tastings at our tasting bar depending on your group size. There is no fee for our tours, and tastings are charged per-person during your visit. **REQUIRES TASTING PRE-PAYMENT FOR SATURDAY RESERVATIONS.**

Option 2 — Private off-hours: You may make a reservation for a private tour and tasting before or after we open. You will have the distillery to yourself, and we will do your tasting all together in the distillery space. This option requires that you pay for your tastings in advance at the regular price of \$25/\$35 per standard/premium tasting. Each tasting includes a \$5 credit toward a bottle purchase that can be used by each individual taster. **NOT AVAILABLE ON SATURDAYS.**

Option 3 — Private open-hours: We can close the distillery to the public during your reservation window and give you a fully private experience. Because this option requires us to close during our normal hours, you will be charged to rent the space in addition to your tastings. The rate for private reservations during our open hours is \$500 per reservation-hour Sunday-Friday and \$1,000 per hour on Saturdays. We recommend that groups of 8-19 people reserve at least one full hour. Groups of 20-30 people require a reservation of at least two hours.

*Private tastings and tours include an in-depth guided tour of the distillery and as many tastings as you would like up to our legal limit of 1 tasting per person per day. We do not serve food or have indoor seating. Please reach out for information about full-service private events with additional services including catering and other entertainment.
